1.37 SMOKE ALARM/DETECTOR RELEASE

I/we the undersigned have personally checked the smoke alarm/detector(s) in the apartment that we are renting and find them to be in working order. I/we understand that the law requires the Landlord to provide a working smoke alarm/detector in this apartment. I/we agree that a smoke detector/ alarm is installed on the ceiling or wall in order to alert me as to the presence of smoke in order to help save my life in the case of fire.

I also agree that by removing the smoke alarm/detector or disabling it in any manner is putting my life at great risk in case of fire and by doing so I am absolving the Landlord or Agent from any responsibility for losses due to my/our non-compliance with the law or malfunction of the alarm and that I/we are in violation of the lease agreement. I/we also understand that we must obtain "Renter's Insurance" to cover any losses to personal contents of our apartment as result of damage incurred by fire and the Landlord's insurance does not cover our personal belongings.

It is understood that the owner shall be responsible for servicing or maintenance of the smoke detectors in the Tenant's Apartment. The tenant must provide the owner with timely notification of smoke detector/alarm mal-functions in order that the smoke detector/alarms can be repaired as quickly as possible.
